(Letter Motion as to 9/1/05 hearing)

On September 1, 2005 @ 9:00AM I had a formal hearing via-conference call with your honor CUSMJ Susan Paradise Baxter. I would like your honor to know that I am Not a lawyer and am Not familiar with the procedures of hearings, Viaphone, etc. I at no time meant to disrespect your honor for speaking out of turn or seeming Rude, That was Never my intention. If I offended you or your clerk I apologize. I am very upset at F.C.I McKean Staff and there act of Not letting me know that you had scheduled this mornings hearing. My Unit Manager Ms. Tronetti came By Wednesday August 31, 2005 and said "you have a lawyer call Tomorrow morning". I was Never informed of a scheduled hearing via a Conference call as occurred and was both unprepared and very Nervous. I thank your honor for having patience with me as I am a Pro-Se litigant. I will be waiting for your Order and for Mr. Skutch (AUSA) to come see me to copy The Discovery. I ask your honor if I can receive a copy of Today's Transcripts.

Respectfully Submitted
Pro-Se, Ernesto Santiago
